SINGER'S SEWING MACHINES.

FECTLY, being strong, durable and complete in contrivance and workmanship. A perfect sewing machine kept employ-ed affords a c-ar profit of \$1,000 a year but an imperfect one is a cause of engitant version and loss. The entire assuments of our anothines is one great reason for their

own make, or for operative machines of other manufactur-ers. Local agents wanted to sell our machines.

> IMPORTANT TO EVERYBODY. DOR the last three years I have been engaged in a busi-I' ness known only to myself, and, comparatively, few others, whom I have instructed for the sum of \$200 each, which has averaged me at the rate of \$2,000 to 3,000 per annum; and having made arrangements to go to Europe in the Fall of 1857 to engage in the same business, I am will-ing to give full instructions in the art to any person in the United States or Canadas, who will remit me the sum of \$1 I am induced, from the success I have been favored with, and the many thankful acknowledgements I have received from those whom I have instructed, and who are making from those whom I have instructed, and who are making from \$5 to \$15 ras hav at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable, at a small cost. There is positively No Husnus in this matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from \$5 to \$15 per day at the same. It is a are making from as local business in which either ladies or gentlemen can engage, and with perfect case make a very hindsome income. Several Ladies in various parts of New York State, Fennsylvania and maryland, whom I have instructed, are now making from \$8 to \$6 per day by it.
